Motiwala College of Educational Sciences Annual E-Governance Report

Introduction

We are pleased to present the Annual E-Governance Report for 2022, showcasing the strides and accomplishments made in the realm of digital governance at Motiwala College of Educational Sciences. This report provides an overview of our initiatives, projects, and outcomes in leveraging technology for the betterment of administrative processes, academic operations, and overall institutional effectiveness.

In an era defined by rapid technological advancements, Motiwala College of Educational Sciences has steadfastly committed itself to embracing digital solutions to enhance transparency, efficiency, and accessibility across all facets of our operations. Through dedicated efforts and strategic investments, we have fostered an environment conducive to seamless electronic governance.

This report highlights the key areas of focus and major milestones achieved during the past year. It aims to shed light on the impact of our digital initiatives on student experiences, faculty engagement, administrative functions, and community outreach.

We extend our gratitude to all stakeholders – faculty, staff, students, parents, and governing bodies – for their unwavering support and collaborative spirit in this transformative journey towards a more technologically integrated educational ecosystem.

We invite you to delve into the pages of this report and explore the progress made in our pursuit of excellence through e-governance.

Hereby are the various departments working in our institute:

Administration and Admission Process:

Our institute trains the Student Teacher to get prepare for the examination conducted by CET Cell for the purpose of the admission in the B.Ed course. ARA conducts the CET exams with the help of CET Cell with in the year the students have been short listed for the purpose of admission. The admission process is totally internal based. The admission process is transparent as we keep the enlisted student's list displayed on the notice board and website. The students get the admission depending on the merit list.

Biometric attendance for the students:

Biometric attendance is taken in the college to make assurance of the regular attendance of the students.

Biometric attendance for the staff:

Biometric attendance of the staff is compulsory in the premises.

Examination System:

The examination system in the institute has dual way: I) Internal Exams II) External Exams.

The internal and external exams have been conducted once an year and if any students fails to appear or could not make it a bang then he has to go for the Re-examination.

The convocation program also takes place in our college for the celebration of the students' success.

Sincerely,

Principal
