7.1.6 Green Campus Initiatives includes

Institutional Initiatives for greening campus are as follow!

- Restricted entry of automobiles.
- Battery-powered Vehicles and Charging Station.
- Pedestrian-friendly pathway.
- Ban on use of plastics.
- Landscaping with tree and plants.
- Fruit plantation to encourage flora and fauna of environment.

Despite being in B.Ed College, it has shown remarkable awareness in maintaining eco-friendly campus. On visiting one can experience peaceful and lush green environment.

Institutional Initiatives:

Restricted entry of automobiles

The college operates a fleet of 03 buses facilitate the students and staff. The institute encourages the staff and students to use the college transport instead of their own vehicles for safety, security, fuel conservation and to reduce environmental pollution. The college buses are checked for pollution by the authorized agency. The vehicles owned by faculty or students with pollution check stickers are permitted into the campus. Random checks are made to check the validation and periodicity of this certificate. For two wheelers or four wheelers, security measures are mandatory.

Battery-powered Vehicles

Student and staff are using battery powered 2 wheeler and 4 wheeler to reduce environmental pollution and also provision for 2wheeler and 4 wheeler recharging is provided.

USE OF BICYCLES

The supporting staff uses bicycle for travelling to college and vice versa. Students and staff coming from nearby area of Nasik city also prefer bicycle as a mode of transport for attending the college. It is environment friendly and prevents pollution.

PEDESTRIAN FRIENDLY PATHWAYS

Vehicle parking space is provided at the college campus. As the campus is vehicle free with some exceptions, students and staff experience comfort walking through the pedestrian friendly pathways. The internal roads are lined with trees and solar lights and they are properly maintained by the campus maintenance committee.

BAN ON USE OF PLASTIC

Single-use plastic items such as plastic bottles, bags, spoons, straws and cups are banned completely and awareness is created among staff and students through orientation and display boards in the premises. To restrict the use of plastic, measures have been taken to replace plastic tea cups and glasses with steel glasses in the canteen. The staff and students are informed to use steel or copper water bottles instead of plastic bottles,

LANDSCAPING WITH TREES AND PLANTS

Landscaping of the college is worth seeing and reflects aesthetic sense. The institute has a canopy of trees and plants to make the environment pollution free to safeguard the health of all the inmates. The lawns and the trees provide shade and beautiful ambience. Utmost care is taken to develop and maintain green landscaping by trained gardeners and supervisor. The college They Looks after the development and maintenance of the greenery in the campus. The institute authorities are taking initiatives to make the campus paperless. Internal communication in the campus, through e-mail or e- messages, is driving towards paperless office. Electronic notice boards are installed in the campus to display circulars and information for the students. Electronic gadgets are preferred to transfer and store the official data and information. Library and examination sections are equipped with efficient software. Digital system in the college academic management system and the Learning Management System are used for academic activity in the campus.
